Selection Procedure of Schemes under NFWP

†2848. SHRI MANGANILAL MANDAL: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) Since when the National Food for Work Programme (NFWP) is being implemented in Bihar;

†Original notice of the question was received in Hindi.

(b) the details regarding the selection procedure of the schemes;

(c) whether it is a fact that serious irregularities are being committed in the selection and implementation of N.F.W.P.;

(d) whether it is a fact that generation of assets through this programme does not become stable; and

(e) if so, the details in this regard and the reaction of the Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL): (a) National Food for Work Programme (NFWP) was launched in November, 2004 in identified 150 most backward districts of the country including the 15 districts of Bihar.

(b) The focus of the programme was on water, conservation and drought proofing including afforestation, land development, flood control/ protection measures (including drainage in water logged areas) and rural connectivity in the given order of priority. These works were to be identified based on the felt need of the area in consultation with Panchayati Raj institutions concerned and local MP and MLAs. The works so identified may be arranged into shelves of works Blockwise and Gram Panchayat wise. The selection of works at Gram Panchayat level will follow priority activity wise as mentioned above and within the activity on the basis of local urgency and technical requirement.

(c) 13 complaints of irregularities have been received regarding implementation of NFWP in Bihar. The State Government has been requested to take corrective action and submit Action Taken Report in the matter to the Ministry.

The programme guidelines provide for constitution of vigilance committees of the local villagers to be formed to oversee the progress and quality of work during implementation. The States hae been impressed to ensure compliance of this provision before the start of every work.

(d) and (e) Programme Guidelines allow 40% expenditure on material content so that durable assets can be created.
